Letter No A6-Sr. 547/38-39 dated 18.5.1939 from the Municipal Commissioner, Bangalore City stating that Sites Nos 251 to 257 and 259 to 266 in Basavanagudi Extension were granted to the Indian Progressive Union, Bangalore, in March 1937 for the erection thereon of two buildings, one for the Women Home and Garden for an Industrial Institute, that as the sites were not used for the purpose for which they were granted, the question of resuming them was placed before the Council on 24.3.39 and it was decided that the sites on which no structures had been put up should be resumed.

2 The Municipal Commissioner reports that structures have been put up on sites Nos 251, 252 and 253 to the west of Nagasandra Road, Basavanagudi and further investigation seems to be necessary regarding their resumption. Dear Mr Narayana Rao

Government are given to understand that a site abutting East Anjaneya Temple Street, Basavangudi, was granted, about 30 years ago, to Mr. S. Venkataranga Iyengar on behalf of the Abalashrama, Bangalore, for putting up a Widows Home and that no building has yet been constructed on the land. I am desired to request you to kindly state why the site should not be resumed to Municipality, if the object for which it was granted has not been fulfilled.

I am to enquire when your reply may be expected.

Sir,

With reference to your D.O. No. 2881/C.B. dated 10th March 1939, enquiring as to why the sites granted to Mr. S.Venkataranga Iyengar on behalf of the Abalashrama, in Basavangudy be not resumed to the Municipality and your D.O. of the 12th instant in the matter, I have the honour to state that sites Nos. 251 to 257 and 259 to 266 in Basavangudy Extension were granted to the Indian Progressive Union, Bangalore on the application of its then President for the erection thereof of two buildings one for the Women's Home and another for an Industrial Institute attached thereto as per G.O. 7970-1/M1 184-06-6 dated 9th March 1907 on certain conditions.

After some years, it was learnt that the sites were not being used for the purpose for which they were granted and the conditions were not fulfilled. My predecessor inspected the Institution and opined that except the plot of land on which the buildin, had been put up the other sites had to be resumed immediately.

Accordingly, the matter was placed before the Managing Committee held on 29-5-1936 and it was resolved to issue notice to the authorities of Abalashrama. A notice was issued on 20th August 1936 and was refused by the authorities. Then the matter was placed before the Council for consideration regarding the resumption of sites after consulting the Municipal Advocate. They at their meeting held on 13-2-1937 deferred the subject. The subject was placed before

them again and they decided at their meeting held on 21-3-39 to resume the sites on which no structures had been put up. Stru have been put up on sites Nos. 251,252 and 253 to the west of - Nagasandra Road, Basavangudy. Sites Nos 254, 255, 256,257 and 259 to 266 which are lying vacant may be immediately resumed. Further investigation seems to be necessary with regard to the resumption of sites on which there are structures.

I enclose herein a copy of the resolution of the Municipal Council in the matter for information and solicit orders of Government in the matter.

Forwarded with compliments.

Dear Madam,

I am desired to thank you for your letter of November 7 to the Dewan on behalf of the Hindu Bhalachrama here and to say he does not know of any proposal of the City Municipality to resume the vacant site which was given to the institution many years ago as a gift, but he will be glad to look into the matter in view of what you have said in your letter.

Dear Sir

I learn from Mr C. Venkatavarada Iyengar, Managing Trustee of the Hindu Abalasrama Basavangudi, that the Bangalore City Municipality have resolved to resume the vacant sites on the ground that the conditions of the gift, made about 30 years ago, are not being fulfilled. I am venturing to plead that this resolve may be reconsidered. As one of the immagurators of the Abalasrama, and contributor to it's upkeep ever since, and as one having many times been a guest under it's roof, I am able to give personal experienceoof the good work it has been doing all these years. It has certainly been hampered for various reasons from expanding to the extent of it's capacities, but I can testify from my own experience that it has , though in a limited manner, continuously done good work all this long time. It would be grievous that it should be closed down when surely the need for such an institution continues, and when with some extraneous help the work could be enlarged to the extent originally intended. As to the worth of my testimony and weight to be given to my request I will refer you to Prof N. S Subba Rao, who is an old and valued iend of mine since his Cambridge days.

Believe me

Yours very faithfully

Madam,

In continuation of D.O.letter No.3361 dated 19th November 1939, addressed to you by the Private Secretary to the Dewan, regarding the resumption of the sites granted to Abalashrama, Basavangudi, Bangalore City, I am directed to note below the reasons that led to the resumption of the sites in question:-

The sites were granted to the Abalashrama in Government Order No.7970-1/Ml.184-06-6 dated 9th March 1907 on condition that the work of construction of the two buildings as proposed should be commenced within twelve months and completed in two years and that if the avowed objects were not carried out within three years, the sites should revert to Government etc. The City Municipality issued a notice to the Abalashrama but the authorities refused to receive it. Since the terms of the grant were not complied with, the sites in question were resumed.

I have the honour to be,
Madam,
Your most obedient servant,

Secretary to Government,
Law Department.

In continuation of my letter A6. Dr.547/39 dated 15-4-1940, I have the honour to state that a building has been constructed on the above sites. It contains two big halls, one out-house, with a kitchen, a dining room and a store room. A Mangalore tiled building has also been put up for the use of the servant maid. It is reported that seven orphans (two boys and five girls) live there. Besides one adult woman who is a doctor by profession is also living as she is unemployed. It is therefore being almost used for the purpose for which the grant was made. In the circumstances reported these sites may not be resumed for the present.

Forwarded with compliments.

I have the honour to be,
Sir,
